

## APPLICATION:

You will be doing everything online and is a very quick process.

1- First step, do the credit/background at

<http://rentlaw.mysmartmove.com/> using the link they will be sending you, if approved, go to step

2. I will notify you after I get the RentLaw of your status if you should continue with step 2.

2- The second step is the application that I will e mail you, it will require proof of employment and proof of ID. (I do not charge any administrative fees for applying, disregard that from application your only expense when applying is to RentLaw. Their fee will be as per their terms).

3- After step 1 and 2, if you are approved you will receive a lease online,. You will sign it and send it back by scanning it and send the money through PayPal for the security and rent monies or mail it overnight with the security and first month in certified check. Or we can meet and get this step done in person. 1.5 security and first month of rent required.
